

Unique Structure of Management

The members of the Society are from dynamic and diverse backgrounds. They work without any remuneration of any kind, not even sitting fee in meetings and are committed to the promotion of Tennis. CLTA was formed primarily to facilitate and provide services to the government so that the objective set forth by the Chandigarh Administration for setting up and promotion of tennis facility in Chandigarh could be achieved. In lieu of such committed services, the Administration had leased Tennis Stadium to CLTA. Nevertheless, CLTA has been running its activities at its own cost and expense. The funds are raised by the members of CLTA without taking any financial grant from the government for its day to day activities. The nominal fee charged from the enrolled players is injected back into running the day to day affairs of the tennis stadium and in awarding various scholarships to needy and deserving players.

As per the books of accounts of the CLTA, the total expenses incurred by CLTA for running its day to day activities in the last four years are as follows:

i.	Financial Year 2006-07:	Rs. 52,02,174/-
ii.	Financial Year 2007-08:	Rs. 61,33,204/-
iii.	Financial Year 2008-09	Rs. 65,61,533/-
iv	Financial year 2009-10	Rs.72,10,086/-
	TOTAL	Rs. 2,51,06,997/-

The expenditure is for development and promotion of tennis.

Additionally, CLTA has been rendering its services to fulfill the objects of the Administration. The voluntary services of CLTA have substantially reduced the burden on the government and have been beneficial to the Administration.
